Dr. Scott Gerrish and his team at Gerrish MedEsthetics are proud to announce their prestigious distinction as a ‘Top 250’-level member with Allergan Partner Privileges, an elite title earned by a deep commitment to excellence and highest-quality patient care. This prestigious distinction places Gerrish MedEsthetics practice at the top 1% of all of Allergan's practices across the United States.

SCOTTSDALE AZ, April 23, 2021 – Allergan, the maker of today's top aesthetic medical products, annually recognizes the country's most skilled and prolific physicians to honor their contributions to the field of aesthetic medicine.

As a multi-specialty health care company, Allergan caters to the ever-changing cosmetic needs of patients worldwide, making products that range from wrinkle-erasing injectables to natural-looking fillers. The physicians designated as “Top 250” are acknowledged as industry leaders in providing Allergan's full portfolio of aesthetic products, including Botox Cosmetic, Juvederm injectable gels, Kybella, and CoolSculpting Elite, Cooltone, and DiamondGlow treatments.

Gerrish MedEsthetics is quite beautifully simple: every patient can expect only the finest state-of-the-art technologies and most current cosmetic, non-surgical enhancement procedures, and treatments that get results.

DR. SCOTT GERRISH, MEDICAL DIRECTOR OF GERRISH MEDESTHETICS

Earning a place amongst Allergan's 2021 “Top 250” practices, Gerrish MedEsthetics stands out as a premier location for non-invasive procedures. Only the top-rated providers in the field of aesthetic care are recognized as “TOP 250” by Allergan. With locations in Scottsdale, Arizona, Vienna Virginia, and Alexandria Virginia – Gerrish MedEsthetics is recognized for its outstanding procedures and exceptional patient care. [Botox treatment](#) and [CoolSculpting](#) are two of the most popular treatments at Gerrish MedEsthetics.

Gerrish MedEsthetics’ continued goal to bring out each patient's most beautiful features, with safe and natural-looking results, has propelled Gerrish MedEsthetics patient popularity which is reflected in their 600+ 5 Star patient reviews.

[Dr. Scott Gerrish](#) upon founding Gerrish MedEsthetics in 1996, carefully selected a team of dedicated and highly skilled professionals expertly trained in non-invasive procedures and acquired the latest aesthetic equipment. With extensive experience and dedication to safe, personalized patient care, Dr. Gerrish's team utilizes the latest techniques and modern technology, making Gerrish MedEsthetics a leading destination for aesthetic non-invasive services in both Arizona and Virginia. Dr. Gerrish routinely speaks at meetings and conferences across the U.S. and internationally, and is the Medical Director for CoolSculpting University East training over 5,000 medical professionals to master CoolSculpting protocols to achieve the best results.
